On Wednesday night the Ladies of the Missionary Society rendered an interesting program during which Mrs. John Massey Clay, President of the Assemblies Board of Missions delivered a splendid address.

The following resolution was offered by Rev. T. C. Newman of Marion, and adopted by a rising vote by the Presbytery:

1.—That we declare ourselves unconditionally on the side of our great government in the world war, because the United States of America is fighting for the God given rights of humanity.

2.—We most heartily endorse the Good Samaritan activities of the Red Cross society and recommend every member of each of our congregations to become a paying and working member thereof.

3.—We earnestly urge that every pastor of our Presbytery arrange for a patriotic service to be conducted in each of his congregations.

4.—We recommend that all of our people who can afford to do so, buy a United States Liberty Bond.

5.—We insist that all of us consider it our patriotic duty to report to the proper officials any disloyal language we may hear and any un-American deed we see committed.

6.—We promise our prayers and influence to the President, the commander-in-chief of the Army and Navy of the United States of America through this war with and against the Kaiser of the ungodly German government.

WOMEN ARE BUSY

NAVY LEAGUE SENDS OFF A BOX AND COUNCIL OF DEFENSE IS WORKING FOR ORPHANS.

A box was sent yesterday to the Woman's Naval Service League at Washington, D. C., containing 42 sweaters and 12 pairs of wristlets for the Navy boys. Mrs. Gano Bulard is chairman of this branch. The Woman's local branch of the National Council of Defense is doing a great work supplying articles for the French and Belgian orphans. Although bundles of materials for making the garments have been asked for Friday, many have already been sent in. Frankel's Busy Store sent in a big bundle yesterday. The Committee in charge is busy getting ready to give out the garments to a large class of workers who will take them to their homes and work them up. Much enthusiasm is being manifested in this work.

Alien women are to be interned as soon as a new bill becomes a law.

PRINCESS TODAY.

Emily Stevens in "A Sleeping Memory." Where the heroine reveals her past existence, she is first a Viking during the invasion of Britain, then a lady in the Court of Borgias, later in Salem during the days of witchcraft. The same characters are associated with her through the previous incarnations, and the manner in which her soul has become ennobled through the ages is well shown.

The greater part of the picture is devoted to the modern episode, containing an interesting love story in which the physician-lover borrows an identity for the heroine after he first operation on her brain. A happy ending is brought about through a second operation which restores her to her normal self.

Eleanor Marston, the principal character, is admirably portrayed by Emily Stevens, and the remainder of the cast are excellent, particularly Frank Mills as the lover and Mario Majerani as the other member of the "triangle."

The photography is especially fine, and there are many beautiful outdoor scenes.

Purely Personal.

Mrs. Lucian Dade and children, of Rochester, N. Y., are visiting Mr. C. L. Dade's family.

Mrs. F. R. Myrick and children, of Louisville, are visiting Mr. C. E. West's family.

Mrs. J. D. McPherson, of Madisonville, and Mrs. Robt. Schlotman and son, are visiting Mr. H. L. McPherson's family.

Miss Lucile Fears, who is in school in Paducah, arrived yesterday to attend the funeral of her uncle, W. F. Randle.

Mr. W. T. Wells, who has given up his position as superintendent of the Public Service Co., to go to British Guiana about May 15, leaves this morning for his former home in Iowa for a visit before going to South America. Mr. Wells is one of the most highly efficient electrical experts who has ever been here, and he will prove to be a very valuable man to the Demerara Beauxite Co. with which he will be associated.

Mr. Lee W. Watkins, who sold his farm near Gracey last week, has rented Mrs. Willie Weeks' cottage on East Eighteenth street and will move to town May 1st.

PRINCESS TOMORROW AND FRIDAY.

When Mary Pickford arrived in San Francisco during the filming of some of the scenes in her latest Arcraft Picture, "Amarilly of Clothes Line Alley," a Navy-Marine Corps drive for recruits was being made, and she was invited to lead the big parade through the downtown streets. Dressed in the regalia of a United States Marine, "America's Sweetheart" took over the baton of the leader of the Mare Island Band of 50 pieces, and marched proudly down the street while a hundred thousand people cheered our "beloved Mary," and wielding the baton almost as tall as herself, she blew kisses with her free hand to the enthusiastic multitude.

Varied types are shown in "Amarilly of Clothes Line Alley," showing the contrast between the upper stratum of society and the people of Clothes Line Alley, the center of the slum district, which proves conclusively that oil and water will not mix. The happiness of the people of the slums is well portrayed as compared with the normal attitude of the bored and restless life of the upper crust.

WHAT THE WIND DID.

During the high wind a day or two ago a lady from one of the county towns passed close to one of the newly painted White Way posts, just given a gaudy first coat of yellow. The wind seized one side of her handsome new cloak and wrapped it around the post as she passed. The reporter did not overhear what the lady said, but the cloak was almost ruined.

PATRIOTIC CHALLENGE

FROM THE 26 COUNTRY PRECINCTS OF CHRISTIAN COUNTY
TO THE CITY OF HOPKINSVILLE AS A WHOLE.

COUNTY DISTRICT CAMPAIGN TO BE MADE WEDNESDAY AND THURSDAY, 17TH AND 18TH

CHALLENGE

In the first and second Liberty Loan sale of bonds it was stated that the county districts did not show the same patriotic spirit and interest as was manifested in the town districts. We are not sure whether or not this was a fact as the country districts were checked up, and yet no one knows just exactly what the county of Christian outside of Hopkinsville did.

In this the Third Liberty Loan sale of bonds the country districts are willing that the facts be known and in order that every one may see and know just how the people of Christian county feel toward their government each county district has been allotted according to their assessed value and when the drive has been finished every one can see that they have gone over the top, not only for the amount asked for, but for twice the amount.

Christian county is the greatest county in Kentucky and we are determined that we shall take our place in the fore front of the purchase of this Third Liberty Loan Sale of Bonds.

DOING BUSINESS ON A WAR BASIS

BUY A LIBERTY BOND, or die in bondage! "Shell Out" to your country, or be shelled out by the enemy! Across the angry sea Civilization is being crucified in the blood that runs warm and the tears that run dry. To ravished Belgium, France in travail and England at bay, our ships are gleaming Galleons of the hope. But, man! It takes your dollars to float them over there. Buy a bond. Stand behind the boys who are standing in front of you. Patriotism is born in the mind, not in the mouth, and it isn't what hearts feel, but what hands do, that's going to count. "Ill fares the land, to hastening ill a prey, where wealth accumulates and men decay." If we can't serve with the colors, the least we can do is to show the color of our money. Buy a Liberty Bond.
